**16. Data Protection Clause**

The attention of the signatory/signatories is drawn to the fact that the collection, storage and processing of the data contained in this self-information sheet is voluntary, in keeping with section 4, paragraph 1 of BDSG [German Data Protection Law] and section 3, paragraph 1 of BrDSG [Bremen Data Protection Law], although it is necessary for the project processing and further customer support within Wirtschaftsförderung Bremen GmbH (WFB) it is necessary.

Within the framework of the project processing the data is passed on to the responsible departments in the Senate and to subsidiaries of WFB.

To help ensure the primary goal of promoting economic development the general customer data will be stored in a joint address database of WFB.

**In recognition of these circumstances the applicant(s) declare(s) the following:**

I/We consent to the processing, storage and passing on of the collected data for purposes of project processing and further customer support.

The consent also applies to the storage of general customer data in an address database to which the subsidiaries of WFB have access.
